Commercial Boiler Rebate Application Arkansas

summit UTILITIES

1) **Complete the entire application, including required signatures.**
2) Use this form for new boiler systems no larger than 12.5 MMBtu in space heating applications.
3) The new equipment must be listed in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) website. See ahridirectory.org.
4) Attach a copy of the detailed sales invoice that includes specific costs for equipment, labor and taxes.
5) Review the Terms & Conditions on the back of this form to ensure all program requirements are met.

For questions on rebates please contact Lance Orton at LOrton@SummitUtilities.com or 501-258-9507

TERMS & CONDITIONS

The qualifying equipment must be installed in a commercial facility with natural gas service from Summit Utilities in Arkansas or the Texas communities of Texarkana, Nash, Redwater or Wake Village.

Summit Utilities reserves the right to inspect the installed equipment.

NOTE:

- For rebate to apply, the new equipment must be certified in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) directory website. See: ahridirectory.org.
- Only new equipment is eligible for rebate (no refurbished equipment): must be installed and fully operational at time of submitting rebate application.
- **Fuel switching from electric to natural gas equipment is not eligible.**
- Program dates: Jan 1 - Dec. 31
- Rebate applications must be received by Dec. 31 of the year equipment is installed.
- Equipment must meet the efficiency standards outlined in the following table:

EQUIPMENT	UNIT SIZE IN BTU/HR InPUT	EFFICIENCY REQUIREMENT (Certified by AHRI)	REBATE AMOUNT
Boilers (Space Heating)	From 100,000 BTU - 12.5 MMBTU	≥ 88%	$4,200 per MMBTU/hr input; Not to exceed 25% of equipment cost*

If boiler is not listed on AHRI, is larger than 12.5 MMBTU, or used in process application, contact Lance Orton at LOrton@SummitUtilities.com or (501) 258-9507.

APPLICATION

- Complete entire rebate application and obtain a dated sales invoice showing the detail of what was purchased and installed.
- It is the responsibility of the customer to ensure that the installed equipment qualifies for the rebate. If it does not qualify, the rebate will not be paid.
- Customer's current W9 must be included along with application.

DATED SALES INVOICE or SALES RECEIPT REQUIREMENTS

- Must be included with the completed application
- Must include the customer's name and installation address
- Must include the equipment manufacturer, complete model number, and serial number
- Must include pricing information with separate figures for equipment, labor and taxes

Summit Utilities is unable to accept applications that do not include all information. Application will be returned if any information is missing.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Account number must be activated for installation address in order for rebate to be processed. Summit Utilities is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. Summit Utilities Conservation Improvement Program (CIP) rebate program may be cancelled or changed at anytime.

Summit Utilities issues a cash rebate not utility bill credits. Please allow up to 8 weeks to receive payment in the mail from the time that Summit Utilities receives your completed paperwork. Please check program website for updates at SummitUtilities.com/ARRebates.

For additional rebate forms, visit: SummitUtilities.com/ARBusinessRebates.

Mail or email completed paperwork to:
